

November 12, 2019

Dear Rambam Maimonides Medical Journal Team,

We are pleased to inform you that your title 'Rambam Maimonides Medical Journal' has been selected for indexing in Scopus effective from the first issue of 2019.

The indexing process has been initiated already and the journal will get a dedicated homepage in the coming months.

We are happy to have you on board and we look forward to the continued collaboration.

Elsevier products are used by leading research institutions, government organizations, decision-making bodies, and corporate organizations around the world. Therefore, coverage of your title(s) in Elsevier products provides increased visibility and discoverability of your content.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Sophie Wolthers".
