Checklist for Initial Submissions

This form ensures that the Editor in Chief has all the information needed for processing your submission.

Instructions: This form must be submitted as a separate file with your manuscript (marked, "Additional File Not for Review"). (Additional forms may be required, depending on the submission type, see checklist below.)

Please review the checklist carefully – manuscripts that do not comply cannot be processed.

Please ensure that ALL author information entered in the *Rambam Maimonides Medical Journal* (RMMJ) Author Center AND the manuscript is the same.

Authors are expected to consult the Instructions for Authors. Additional Forms should be uploaded as "Additional Material Not for Review."

For questions regarding this checklist, please contact administrator@rmmj.org.il.

Item	Requirement	Done	
AUTHOR CENTER	All information entered in the author center is IDENTICAL with information entered in the cover letter, title page, main manuscript, and any additional documents		
ADDITIONAL FORMS	The author contribution form has been completed and uploaded with the submission (Click to download the Author Contribution form) Each author has completed the ICMJE Disclosure Form and they have been uploaded with the submission as "Additional Material Not for Review" (one form for each author) (Click to download the ICMJE Disclosure Form)		
AUTHORS	One corresponding author is identified with an asterisk All author details are the SAME (including order of appearance) in the Author Center and in the manuscript The FULL first name and surname is given for each author (initials are not acceptable for surname/family name/initial name) ORCID number is provided for the corresponding author; ORCID number provided for other authors if available The highest academic degrees **earned** are given for each author (a degree in process cannot be referred to)		
TITLE PAGE	First page of the main manuscript and includes: Manuscript category, full article title, short title, First name and FULL surname (title name) of all authors, highest academic degrees, affiliations of all authors (department, institution, city, state, country; email), list of abbreviations, and corresponding author ORCID number and contact information. (The title page can go onto more than 1 page, if necessary)		

Item	Requirement	Done	
ABSTRACT	Entered separately in the main manuscript after the Title Page AND appears in the manuscript submission form		
	Structured abstract is provided for original research		
MAIN MANUSCRIPT	The main manuscript includes a complete Title Page, Abstract, Key Words, Text of the Manuscript, References, Tables, and Figure captions		
	Figures may be inserted in the main manuscript or submitted separately. If figures were not inserted in the main manuscript, they are uploaded separately as digital files (*.jpg, *.png, or *.tiff)		
	If your paper is accepted for publication, you will be asked to submit high quality figures with the source files. See the Instructions for Authors for details.		
	Tables and figures are referred to in the text and presented **at the end of the manuscript**		
	Each table or figure has its own caption and is referred to appropriately in the text		
	The manuscript has been checked for International English grammar and spelling (please acknowledge use of AI if used for this task)		
	There are no footnotes or endnotes in the manuscript		
REFERENCES	The references have been inserted into the text as per the Instructions for Authors (numbered in order of appearance, superscripted, outside the punctuation)		
	All references have been carefully checked for accuracy and applicability of the citation		
	All references are consistently formatted per the Instructions for Authors		
AI Usage	AI was used in the development of this manuscript. If YES, please describe how AI was used in your cover letter.		
Cover Letter	Cover letter covers ALL items as instructed in the Instructions for Authors
